The Bandicoots have been using concrete materials in class to assist them with their learning. They have used a variety of materials such as white boards, magnetic letters, computers, number lines, sensory cards and more. They have thoroughly enjoyed using different learning styles this term!
Outline for Mission Day

Each class will be holding a mini fete. Please send your child to school with small amounts of coin to be able to go to different stalls.

Activities will range from 20c to $2. Sausage Sizzle for lunch. (This had to be pre ordered) Children only attend.

Thank you for helping us support this very worthwhile appeal by giving to people much worse off than ourselves.
