Dear Parents and Guardians

On Monday morning we heard the sad news that Fr. Vinh’s father had passed away after a short illness. On behalf of the school community we have passed onto him our condolences and many people have been attending the 8am daily mass to offer prayers for Fr. Vinh, his family and his father.

I have been advised that the funeral mass for Father’s dad will take place next Tuesday, August 4 at 2.30pm at St Mary Mackillop Catholic Church, 16 Pelican Parade, Ballajura. Father Vinh has been our priest for only a few months, but in that time he has made a huge impression upon us all. Some of you may wish to support Father and his family by attending the funeral next week.

Eternal rest grant to him O Lord and let perpetual light shine upon him and may his soul rest in peace, Amen

Please keep Fr. Vinh, his Dad and all his family in your prayers at this time.

God Bless

Tricia Davis
Principal

### School Uniform

This term we have many events where the children are representing the school and themselves. We regularly have a number of visitors commenting on our vibrant school grounds and appealing school uniform.

We have a very attractive school uniform which we encourage all children to wear with pride and confidence. Please ensure that your child comes to school in clean and correct uniform each day.

Real Kids in an Unreal World
with Maggie Dent

Building Resilience and Self Esteem in Today’s Children (10 Resilience Building Blocks)

Are you worried, confused or concerned about parenting in today’s chaotic world? Children need to have certain basic experiences to build the competencies that will help them manage life — the good, the bad and the ugly. Popular Australian parenting author and educator Maggie Dent published her bestselling book, Real Kids in an Unreal World in 2008 to help guide parents in raising children who are happy, healthy, strong, kind and resilient. In this seminar, Maggie will explore her common-sense, practical model of 10 building blocks for children birth-12 that will reassure parents that what we have always known to be important in these years of a child’s life is still important. This seminar will offer you practical, common-sense ideas and strategies to make small changes in your home, which will make a big difference to your children’s cognitive, physical, psychological, emotional and social health later in life.
