Goannas Mission Day Prayer Assembly

Friday 11th September, Week 8, 8.30am

All families are invited to join us for our prayer service to raise awareness of the lives of children in countries poorer than our own. We will be raising money for the Children's Mission.

A GOLD COIN DONATION is requested for:

- Free dress clothes on the day
- A cup of plain rice as part of the children's lunch.

Children should still bring their own lunch on the day and the canteen will be open.
We shared a sausage sizzle lunch!

We had a Picasso Corner where we drew each other.

THE POSSUMS BROUGHT THEIR DADS TO SCHOOL

Building, hammering

We had a lot of fun 'shaving' prickly faces!
SWIMMING 2016

As previously reported we have been advised by the Wanneroo Aqua Motion that we will be unable to have swimming lessons at the usual time, the beginning of the year, in 2016. The only time available for BGCPS is for the end of Term Three. From a school point of view this is not a suitable time for the children to be involved in swimming lessons due to

The cold weather
The number of children who contract colds, flu and other illnesses at this time of the year
Having children sitting around with wet hair etc. after the lessons.
It conflicts with the Performing Arts and sports day and all the other activities
Occurring in third term.

The cost of swimming lessons will also rise to $100.00 per child from $82.00. We have approached Joondalup but they no longer take school groups. They do however take swimming lessons for primary aged children Only 9 families have indicated that they want the lessons to continue. Therefore there will be no swimming lessons held in school hours in 2016.

Schools are under no obligation to provide swimming lessons for children. However with our climate and with our close availability to water sports it is important that children learn how to swim. For parent information here are some alternate arrangements that parents can make for out of school time lessons.

VacSwim Programs operate in the October and December/January school holidays.

VacSwim is for children from beginner through to advanced survival, rescue and resuscitation. Your child can join in the fun of learning to swim with lessons in a standard 10 day (or equivalent) VacSwim program for a small enrolment fee plus pool entry. There is also a discount if you are enrolling a family of three or more children.

$12.50 a person for a 10 Day Standard Program; $34.50 a family for a 10 Day Standard Program $6.50 a person for a five Day Short Program (excludes Early Start Program) $17.50 a family for a five Day Short Program (excludes Early Start Program)
